The Royal College of GP's have indicated that attendance would count towards annual CPD requirements.

The London Rectal Clinic (incorporating The London Haemorrhoid Clinic and The London Bariatric Clinic) provides the highest professional standards of dedicated care within a friendly and reassuring environment

All treatment programmes are individually tailored to suit your needs with members of our experienced specialist care team working closely together to ensure ultimate peace of mind and minimum delays

The services provided are:

Out-patient

- Consultation
- Proctoscopy
- Rigid sigmoidoscopy
- Haemorrhoid injection
- Haemorrhoid banding
- Rectal biopsy

In-patient Colorectal Surgery

- Colon and rectal cancer resection – increasingly laparoscopic assisted surgery
- Diverticular Disease / Diverticulitis
- Ulcerative Colitis and Crohn's Disease

Day Surgery: Conditions Investigated & Procedures Undertaken

- Haemorrhoidectomy
- Fissure – Creams / Botox / lateral sphincterotomy / flaps
- Pilonidal sinus – Excision and closure / rotational flaps
- Anal sepsis and fistula in ano
- Rectal prolapse
- Pruritis ani / faecal soiling
- Excision of anal polyps / lesions / warts
- Colonoscopy – Diagnostic and polypectomy
- Flexible sigmoidoscopy
- Endoscopy

In-patient General Surgery

- Laparoscopic appendicectomy
- Laparoscopic cholecystectomy
- Abdominal hernia repair – increasingly via laparoscope
- Bariatric / weight loss surgery
